

The Good News from St. Michael School

Almsgiving and prayer radiated from our parish school this Lent.

As part of their Lenten almsgiving, our 4th and 5th Grade students collected food items for our parish families in need, while our 6th and 7th Graders prayed each day before meals for those who live in poverty. Additionally, some of our 6th Graders made a card for every teacher at St. Michael School to thank them for all they do, and the entire school participated in donating items for and making more than 200 Easter baskets that were given to families in need served by the Toy Box Connection and Blessed Child.

SMS students and teachers created more than 200 Easter baskets for Toy Box Connection & Blessed Child

6th & 7th Graders prayed together daily for families living in poverty.

Congratulations 4th, 5th & 7th Grade boys on your SSBL Championship wins!

The 4th & 5th Graders have been busy sharpening their STEM and Math skills
