

# The Good News from St. Michael School

Our school campus is truly beaming with Lenten activity in many different ways. Numerous grade levels focused on the Cross of Christ through a variety of projects, while the Daily Lenten Practice Calendar has inspired our 4th and 5th Grade students and teachers. To help families in need in our community, students participated in Lenten almsgiving projects that benefitted our St. Vincent de Paul Society, the Toy Box Connection and Blessed Child. And throughout Lent, all grade levels participated in the Stations of the Cross.

These 3rd Graders led the Stations of the Cross for the students in Kindergarten through 3rd Grade.

SMS students and teachers created more than 200 Easter baskets for Toy Box Connection & Blessed Child

Special thanks to Sue Rose, Christine Aguirre, Michelle McAleenan, Jennifer Unhoch, Maureen Collins, Rose Koch, Susan O'Connell for helping our students learn first-hand about the holy season of Lent.

## SMS March Virtue of the Month: RESPECT

## The 4th & 5th Graders have been busy sharpening their STEM and Math skills

To help them learn about the virtue of respect, our 1<sup>st</sup> Graders created spring flowers to demonstrate that respect grows when we listen to other people, give to the poor and help our moms and dads

## Congratulations 4th, 5th & 7th Grade boys on your recent SSBL Championship wins!
