

The Good News from St. Michael School

Congratulations to the St. Michael School Virtue winners for February. The Virtue for February was **Honesty** and these students were chosen by their teachers for being trustworthy and true.

Our students in 4th & 5th grades brainstormed words and ideas that they associate with the virtue of honesty and then worked in small collaborative groups to create an honesty story board depicting how a child and parents work together to overcome challenges through honesty.

Dads & Daughters Danced the Night Away at the “Little Miss Magic” Father Daughter Dance
