Charity and Gifts from God Highlighted in September at SMS

In addition to learning about the virtue of charity, the students at **St. Michael School** also have been busy learning about Our Lord and the many different gifts that He bestows upon us.

- ✦ Students in the primary grades learned that we are all different and we each have different **God-given gifts and talents**.
- ✦ 4th Graders made **Kindness Grams** for friends and the people who work in our school building to let them know how grateful we are for them.
- ✦ Our junior high students explored **Faith, Hope, Guidance** and more while working in cooperative learning groups. Not only did they research meanings of these topics, but they also created examples of **utilizing these gifts in everyday life**.
