## 2024-2025 YEAR OF FAITH & VIRTUES BEGINS AT OUR PARISH SCHOOL

As part of its 2024-2025 Year of Faith, the children of St. Michael School are excited to begin the three-year Virtues Program cycle again. This program, created by the Dominican Sisters of St. Cecilia, teaches us that human moral virtues are acquired by deliberate acts, education and persevering effort.

The Virtue of the Month for September is **FAITH**. Faith is believing in God and all that He has revealed. It is one of the theological virtues given to us in baptism and through it, we are able to believe everything God says through His word in scripture and in sacred tradition. We increase our faith in God by studying and thinking about what He has told us and then turning to Him with our whole heart and saying, **“LORD I BELIEVE, INCREASE MY FAITH!”**
